Guests must be a YFC member from another club within the Federation and not played/competed in the same competition on the day/evening. If clubs have one guest then points are given to the entered club. If clubs have more than one guest then the position points are split between both clubs.

Three or more clubs can form a team but will compete for fun, i.e. no points will be awarded. The Winning team, with or without guests, will go forward and represent the county.
