Start of Play

5 Balls are placed along the centre line

The centre ball is the only contested ball
A ball is not live until it is passed back beyond the return line.

Eliminating Opposing Players.

Live Balls

A ball is live until it hits a floor, wall or any other surrounding surface
Multiple play is possible with a live ball.

Hits: Any player struck with a live ball by an opposing player will be called out.

Catches: Any catch on a live ball will be valid. The player who threw the caught ball will be called out and the catching team will gain one player from the outbox.

Blocking: Players are able to use a ball in their possession to block an incoming ball. If the ball they are holding is knocked from their possession, they will be called out.

Lines

Adult dodgeball is played on a dodgeball court.
Players are called "out" for stepping over the side/ back lines.
Players may not leave the court to collect balls.
Each team nominates 2 retrievers who put off-court balls back into play.

Stalling

Players should not intentionally stall the game. Once a team has possession of 3, 4 or 5 Balls, they should look to make an attempt with at least one of those balls.
When a referee calls 'Play Ball', A team has 5 seconds to throw. If they do not, then players holding balls will be called out.
Teams can keep one ball after 'play ball' has been called and must throw the rest.

Multiple Play.

The following are examples of multiple play:

- A player will be called out if they are hit by a ball that has deflected off a teammate whilst it is still live.
- A catch is valid if it has deflected off a teammate whilst it is still live - in this circumstance the hit player plus the thrower will be called out - if the hit player is the first one out, then they will immediately return to the court.

The Referee's decision is final.
