RISK ASSESSMENT

All productions **MUST**, as part of the competition, submit by **Monday 27th January 2020** a detailed Risk Assessment of the production that covers all activities both on and off the stage.

Teams entered are responsible for producing a Risk Assessment that is adequate and suitable for all activities within the production.

The stage and theatre manager(s) hold the right, under these rules, to refuse an activity that does not meet current safety standards. The stage manager and theatre staff have full authority to stop a production that is not safe.

All teams must abide by the Health & Safety and Fire Regulations of the theatre. All stage scenery must be fireproofed. This information should be recorded in the Risk Assessments.

YOU MUST ADHERE TO THESE REGULATIONS FOR YOUR OWN SAFETY. Key to success is to allocate a set item to your overage and cast members - no overage helper to set foot on stage at any time during the production even to hold up a piece of set and they can't be seen.

PROCEDURE

The Competition shall take the form of a variety / talent show in which members are encouraged to entertain the audience in one or more disciplines. These could include dramatic sketches, comedy, dance, song and so on. The whole performance should be compered by a cast member, who should introduce the items. The production should not form a play or resemble the traditional entertainment competition but should be a series of items of a contrasting nature.

Copyright - teams are reminded of their responsibility in terms of acquiring permission for the use of songs/sketches subject to copyright protection. Where appropriate, Clubs must pay Royalties to publishers.
